An enthusiastic and highly motivated student pursuing a bachelor's degree in Informatics Engineering with expertise in UI/UX design, web front-end, and mobile application development. My project experience is mainly related to UI/UX and Web Development. I am able to work in a team and have good leadership skills, and adapt quickly to new social and work environments. Currently, I am focusing on improving my skills in Fullstack Development.

EXPERIENCE

Celerates Acceleration Program by PT Mitra Talenta Grup   *Sep 2024 – Dec 2024*

Web Development & UI UX Design

- Successfully leading and directing a team in completing complex technical projects faster than the specified schedule.
- Recognized as the most active student in class, consistently engaging in discussions, sharing insights, and contributing to a dynamic learning environment.

CODENEST.CO   *Oct 2024 – Dec 2024*

Fullstack Developer | Freelance

- Oversaw end-to-end project execution, ensuring on-time delivery and exceeding client expectations.
- Executed a diverse range of projects (including academic, corporate, and client-based) demonstrating adaptability and technical proficiency.
- Developed tailored software solutions that drove high client satisfaction and fostered long-term partnerships.

CV. Serpihan Tech Solution   *Mar 2025 – Present*

Web Developer | Internship

- Collaborated with the team to complete assigned tasks efficiently and on time.
- Participated in internal meetings and gained insight into project planning, client communication, and team workflows.
- Developed technical and communication skills through hands-on experience in real-world projects that contributed to team outcomes.

PROJECT

WEB SEPUH – *UI/UX Web Designer*   *Sep 2023*

- Designed basic framework of web pages to ensure logical structure and easy navigation.
- Develop interactive prototypes to test functionality and get feedback before final implementation.
- Compose the visual elements of the website including layout, color scheme, icons, and typography to create an attractive and consistent look.

SIPEAR – *UI/UX Designer*   *Sep 2023 – Nov 2023*

- Designed the basic structure of the user interface to ensure intuitive navigation and optimal user experience.
- Develop interactive prototypes to test and validate design concepts before final implementation.
- Developed visual elements of the application including layout, colors, icons, and typography to create an appealing look consistent with the brand identity.
- Created Use Case Diagram, ERD, and UML

CAMPBROM – *UI/UX Designer*   *Apr 2024 – Jun 2024*

- Developed wireframes to ensure the structure and layout of the mobile app met user needs.
- Created interactive prototypes to illustrate the navigation flow and key functions of the mobile app.
- Devised an engaging and responsive visual design on Figma, in keeping with the brand identity and current design principles.
- Created Use Case Diagram, ERD, and UML

WELLCARE – *UI/UX Web Designer*   *Sep 2024 - Oct 2024*

- Conducted user research, including competitor analysis and user persona development, to identify key insights and inform design decisions.
- Designed interactive and responsive web layouts, creating high-fidelity prototypes to test usability and gather feedback.

PLESIRAN JOGJA– *FullStack Developer*   *Oct 2023 – Dec 2024*

- Conducted user research, including competitor analysis and user persona development, to identify key insights and inform design decisions.
- Designed interactive web layouts and prototypes, incorporating user feedback to refine the user experience and functionality.
- Developed a responsive website using React.js for the frontend and Express.js for the backend

EDUCATION

Universitas Negeri Semarang – Semarang, Indonesia   *Aug 2022 – Present*
Bachelor's Degree in Computer Science. GPA: 3.81 / 4.00
Relevant Coursework: Algorithm Analysis; Data Structure; Database System, Human Computer Interaction.

SMA Negeri 1 BUMIAYU – Bumiayu, Indonesia   *Jul 2019 – Jun 2022*
High School Diploma in Science

CERTIFICATION

CCNA: Introduction to Networks – Mar 2024
CISCO NETWORKING ACADEMY

Huawei Certified ICT Associate-AI V3.5 Course – Mar 2024
Huawei

SKILL

Languages : Indonesia, English.
